

Connect users with the Agency Code

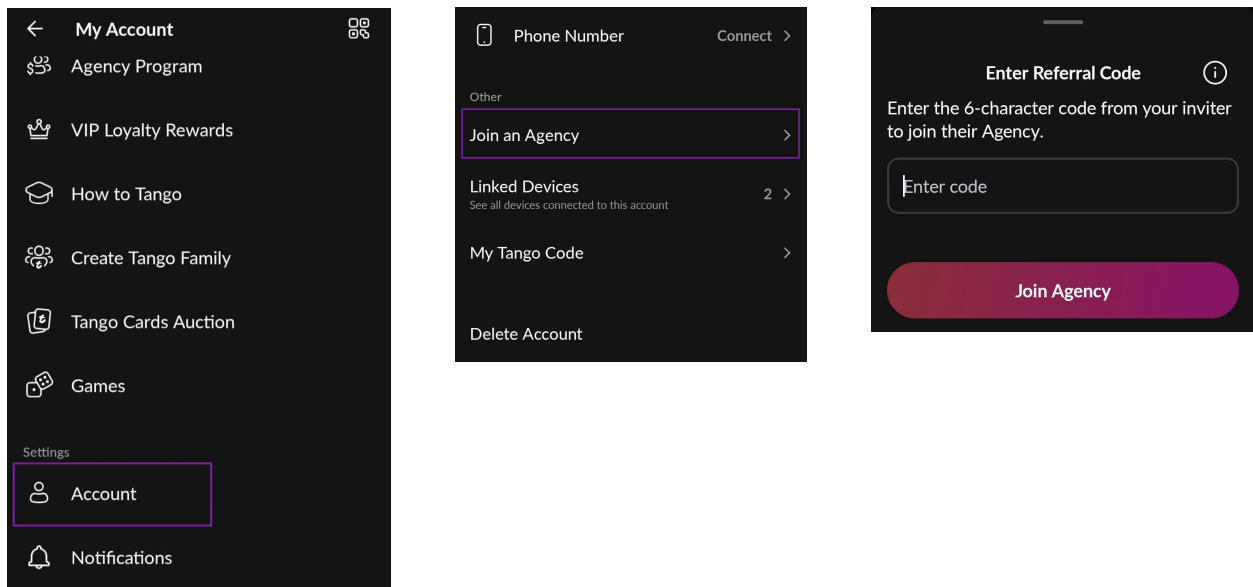

Connection under the agency is only possible for users who are new and unique to Tango.

New users can connect with an agency by using an agency code within 5 hours of account creation.

Your agency code can be found in the Agency Program section of the main menu, accessible through both the Tango Android app and Tango Web version:

The creator should go to *Settings* ➡ *Account* ➡ *Join Agency*

For the Tango Web on a **desktop**, it looks a bit different:
