

Onside — Tango is available on iOS in the EU!

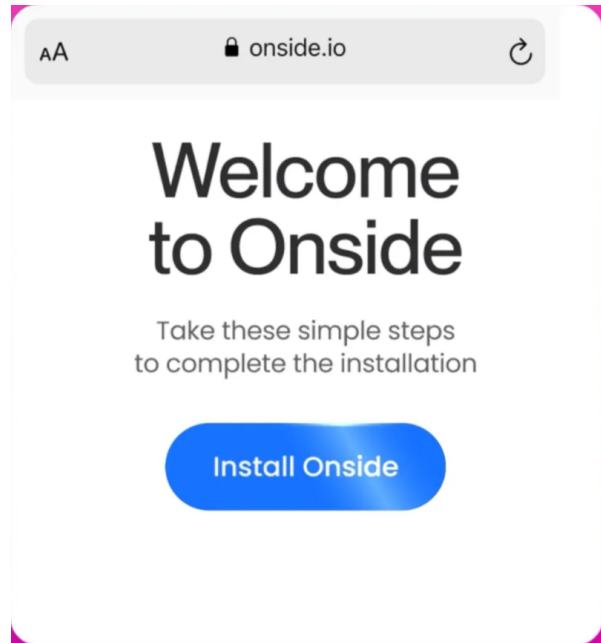

Dear streamer, if you **live in the European Union**, you can download Tango to your iPhone with a help of onside.io — alternative App store. Here is how you can do it:

1. Open onside.io in your browser on iPhone

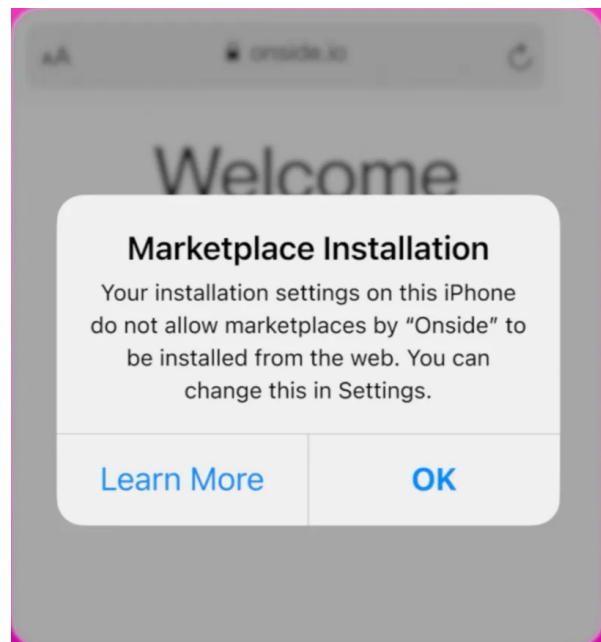

2. Press Install Onside button

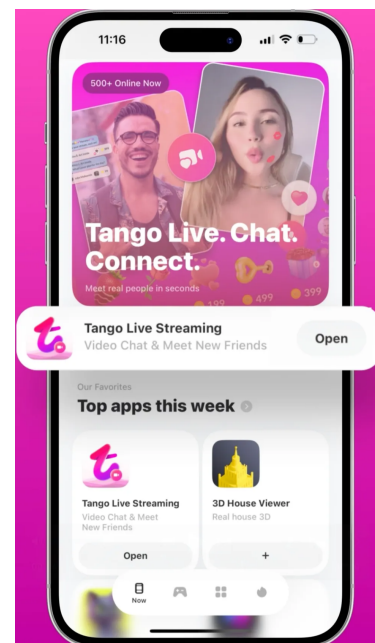

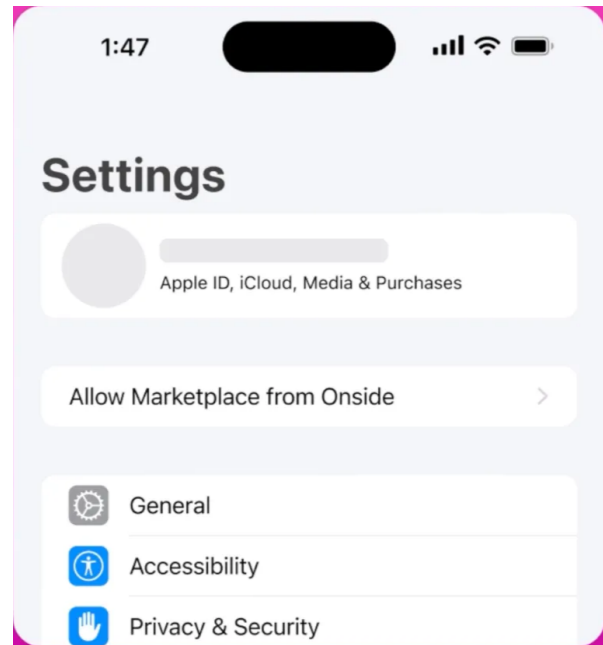

3. Allow Marketplace Installation.
Press **OK**

4. Go to settings, and press "**Allow Marketplace from Onside**"

5. Open Onside app, and find Tango app

6. Install and open Tango!
